## Apartment till salu i Alfaz del Pi

€207,000

We present a new style of living. If you are +65 or older you are allowed in this resort. But be aware this is not an elderly home. You will buy in a resort where people do not need care or need to be hospitalized. If you are feeling young and want to share your time with likewise thinking seniors, this is the place to be. You can buy apartments...
