Fristående villa till salu i Palma De Majorca

€2,100,000

This beautiful villa was built in 2003 by its current owners with a robust structure and following a totally innovative design for that time. It is in perfect condition and in the event of wanting to update it, it would only need make-up work, not major works. It is divided into 3 levels: The main floor with the living room, dining room, kitchen, a...
