## Fristående villa till salu i La Romana

€330,000

Fantastic villa in the town of La Romana, it is located on the outskirts of the town, just a few meters from it. The URBAN-qualified plot is completely fenced and has almond and olive trees. Inside we find two buildings: The main house of 140m2 approx. distributed in a large glazed porch on one side protecting it from the air, a spacious living /...
